

An Invitation. . .

WON'T YOU JOIN US?

Whether you paint like a master or a beginner, you are invited to join the Hawaii Watercolor Society. A state-wide organization open to all residents of Hawaii, our approximately 300 members meet to paint, to share experiences, and to explore new ways to create our art, as well as to gain knowledge from each other and acknowledged experts in the field.

Advantages of membership include a membership card entitling members to discounts for art supplies in certain stores, discounts on show entry fees, a website to show your work and link your own website to, and a membership roster. A monthly newsletter features current local art events, book reviews, exhibitions, and related opportunities and topics of interest. You are invited to join others at many paint-outs regularly held at various locations and times. We also maintain an extensive library of books and videos by nationally renowned artists which members may borrow free of charge.

The society sponsors juried shows showcasing our members' works several times a year, and we sponsor an annual Open Show for the wider arts community. Members are eligible for workshops held several times a year with nationally ranked watercolor artists as well as classes and workshops conducted by our own talented members.

To join us, fill out the form on the reverse, enclose your check for \$35 annual dues (foreign, \$45, student, \$20) and return to us at **HWS, The Arts at Marks, 1159 Nu'uaniu Avenue, Honolulu HI 96817.**
